

Tristan Kade's House

CHORE EXPECTATIONS

House chores are to be conducted 2x a week. The first cleaning shall be done by Wednesday night and the second cleaning shall be completed by Friday night. If you have any commitments in which you will not be home please ensure your chore is completed before hand.

COMMON AREA

The common area consists of: Hall along bedrooms, living room & dining room

1. Sweep (ensure to sweep under all furnitures) Be sure to shake out door mat, and sweep over door mat and area rug
2. Mop (utilize 2 cap fulls of mopping agent, be sure to ring out mop completely to avoid water marks and residue)
3. Wipe down all surfaces utilizing disinfectant wipes, use windex on glass table when needed

NOTE: Be sure to wipe down the area used when eating at dining table after every use. If you should have any spills or droppings ensure to clean up behind oneself

KITCHEN

The kitchen consists of: all counter spaces, microwave, stove top & oven, sink, cabinets

1. Wipe down all counter spaces utilizing disinfectant wipes and/or kitchen cleaner spray and microfiber cloth (ensure to wipe under any

- appliances on counter space, be sure to thoroughly wash out microfibre clothes between using to ensure no residue is left behind)
2. Wash out sink utilizing bleach spray, wipe down faucet as well as the counter space around the faucet
 3. Wipe down cabinets and fridge as needed
 4. Spray microwave with kitchen cleaner be sure to clean all surface inside of microwave and door (ensure to wash out cloth to ensure no water marks and/or residue is left behind)
 5. Spray stove top and oven, if brillo pad is utilized ensure to use microfibre cloth to wipe away any residue

NOTE: After each use of the kitchen be sure to sweep and utilize the swiffer when needed. Wipe down counter tops after use. The drain in the sink should be emptied after each use as to not leave food particles in the drain, also check for food splatters along the walls of the sink and microwave, wash out microwave cover if it shall become messy after use. All dishes should be washed after use and packed away before the end of night. If you load the dish washer please be sure to pack the dishes away.

BATHROOM

1. Spray down entire surface of bathtub including walls with bath cleaner (beside to remove bath mat. Utilizing the handled scrubber, scrub down the entire area and shelf in shower area)
2. Utilize toilet cleaner inside of toilet bowl and use brush to scrub the toilet. Utilize disinfectant wipes to clean toilet seat, under toilet seat, behind toilet seal as well as around the bottom of toilet bowl and tank
3. Spray down counter top and sink and utilize microfibre cloth to wipe down area. Be sure to wash out rag after first use and wipe down the area again to avoid leaving behind residue.
4. Empty garbage bathroom placing in outside trash bin
5. Sweep and mop ensuring to shake out and sweep floor mats as well

NOTE: Please do not flush any feminine items and/or paper towel. The hand rags are washed weekly and placed in the bathroom for the purpose of drying hands and should be placed in the bin under the sink when finished. After each use of the shower the bathtub should be sprayed with cleaner and wiped down. Be sure to check behind yourself when using the toilet and wipe down any particles left on and/or under seat. Please note the sink is a flat surface so after every use ensure to wash down any particles and/or hygiene products left behind.

GARBAGE

Garbage is to be placed on side of the house as close to street as possible Monday night for Tuesday Pickup and Thursday night for Friday pickup. Be sure to bring empty bins back into the back yard.

HOUSE GARBAGE

Should be taken out throughout the week when full, by any and all house members. When placing open containers and/or cans in recycling bins be sure to rinse them as to not cause build up that would attract insects.

ROOMS

Dishes and food should not be kept in rooms overnight.
